Special Session	SM00 - General SPA-Magnetospheric Physics Contributions
Title	Plasma sheet formation from solar and ionospheric sources
Author(s)	Thomas Moore, Mei-Ching Fok, Walter Allen, Manuel Buenfil, Stephen Christon, Dominique Delcourt
<b>Reference Number</b>	<b>3055</b>
<b>PIN</b>	<b>7675</b>
Correspondent	Thomas Moore
Submittal Fee	\$50
Received	9/2/2003 5:29:19 PM
Last Modified	9/3/2003 11:04:52 AM

**Thank you! This abstract submission is complete.**

**\*\*\*IMPORTANT INFORMATION PLEASE READ\*\*\***

**Please write down and keep your Reference Number and PIN.** Always use the Reference Number when inquiring about your abstract. **You will need both a Reference Number and PIN to make changes to your abstract. Use the Manage feature up until the submission deadline.**

Scheduling information will be available on the AGU Web site after the Program Committee Meeting in late September. The Correspondent will receive an e-mail notification regarding abstract status in mid-October.

Thank you for submitting your abstract electronically to the 2003 Fall Meeting.

To submit another abstract, or revise or withdraw an existing submission return to the **Main Entrance**.
